6. We have a pile for yard waste started next to the new location of the dumpsters for anyone that has been asking. If you have yard waste that you want to dump in between trash day, you can dump it in the pile. This is for yard waste only, no furniture please!
7. Reminder, that we are not able to throw away tires or paint in the dumpsters. If you have any of those, you will have to take them somewhere and dispose of them properly. Our trash company will not take them!

Happy Halloween!!!
