

# Rolling Meadows Newsletter!

We have lots of fun things happening this month!

1. If you guys haven't already seen the note on the rent drop box, We now have a secured mailbox that you can just drive up to and drop it off there. This will make it easier for those that can't get out of the car easily. It is the black mailbox where our mail is dropped off at the end of the driveway. We will be removing the original drop box.
