We survived the storm! I know some had damage to their homes, but thankful to the good Lord, that no one was hurt. Things are fixable, but people are irreplaceable! Thank you to everyone that came together to help their neighbor and get this park back to normal.

1. Birthday Donuts and Coffee will be Saturday, June 15th from 9:30am-11:00am Please RSVP
2. The Icecream truck will be up at the community room June 18th at 1:00pm. Come grab some ice cream before bingo. Thank you again Mr Chuck for donating your time and delicious ice cream. Again, this is free!
3. Our community potluck will be Saturday, June 22nd at 4:pm. I am looking for someone or even a couple people that could help tag team running the potluck. I am not able to commit to it every mth as my children's sport, schedules, etc are very busy on the weekends. Our previous tenant that used to do it, is unable to at this time. It consists of putting the potluck sign up, table set up, making coffee and helping with the clean up after. If anyone would like to assist with this, please reach out to me!
4. Bingo is every Tuesday from 1:30pm-3:30pm.
5. As everyone knows, the notices for your lease renewal are coming due and need to be done by July 1st. Those that have already signed their lease, you can disregard this. I will be doing a couple free 1mth lot rent giveaways for those that get their leases turned in by July 15th. Those that already have signed their lease, I will add you into the giveaway as well. Please reach out to me so we can get those done!
6. As of right now, we are still picking up the trash throughout the park, so you will not have to take it down yourself. I will keep you all informed if anything changes.

As always, please spread the word to your neighbors and I will have copies in the flier boxes as well. Thank you all for your understanding and cooperation. Many Blessings to you all!

Ben and Nicole (Management)
